- Texas Higher Education Assessment (THEA): An alternative assessment for basic skills.
- Texas Success Initiative (TSI): Used by some districts for placement purposes.

While these are not exclusive to principal candidates, demonstrating basic skills is mandatory for certification and foundational for advanced roles.

In addition to leadership exams, candidates may need to pass content-specific assessments if they are transitioning into specialized administrative roles or pursuing dual certification. These tests ensure that candidates have a deep understanding of the subject matter they will oversee or support.

4. Specialized Leadership and Management Exams

Texas education certification sometimes requires additional assessments for specific roles:
