Introduction to Warhammer Fantasy Wood Elves

The Wood Elves, also known as the Asrai or the Sylvaneth, are an ancient race native to the vast, enchanted forests of the Old World. Unlike their high elf counterparts, they prefer to live in harmony with nature, often retreating into the depths of the forest to avoid the encroachments of civilization. Their society is deeply rooted in druidic traditions, and they view their forests as sacred, fiercely defending them from any threat.

Origins and Lore

The lore of the Wood Elves dates back thousands of years. They are believed to have descended from the elven race that fled the destruction wrought during the Fall of the Elves. - A history marked by conflict with humans, Chaos forces, and other races seeking to exploit natural resources.
- Deep spiritual beliefs centered around Gaia, the Earth Mother, and the sacredness of the forest.

Society and Culture

Wood Elves organize themselves into small, highly mobile clans, each led by a chieftain or druid.

Their society is egalitarian and based on merit, with warriors, archers, and shamans holding respect within their communities.
